

Hi, I'm Brooke Winka!

My passion is pretty simple—

I love creating designs for other humans to enjoy! I believe each and every one of us carry something very special to share with the world, and our designs shouldn't be any different.

My areas of interest include Typography, Creative Lettering, Identity and Print Design, Illustration, Social Media Graphics, and User-Interface Design!

THE LARGEST PART OF MY DESIGN JOURNEY SO FAR—

EIU Housing & Dining Services

I worked on various campaigns and print pieces including postcards, posters, booklets, and flyers for prospective and enrolled EIU students.

A CONCEPT FOR A RESTAURANT BRANDING PACKAGE—

Mac Daddy's Identity + UI Design

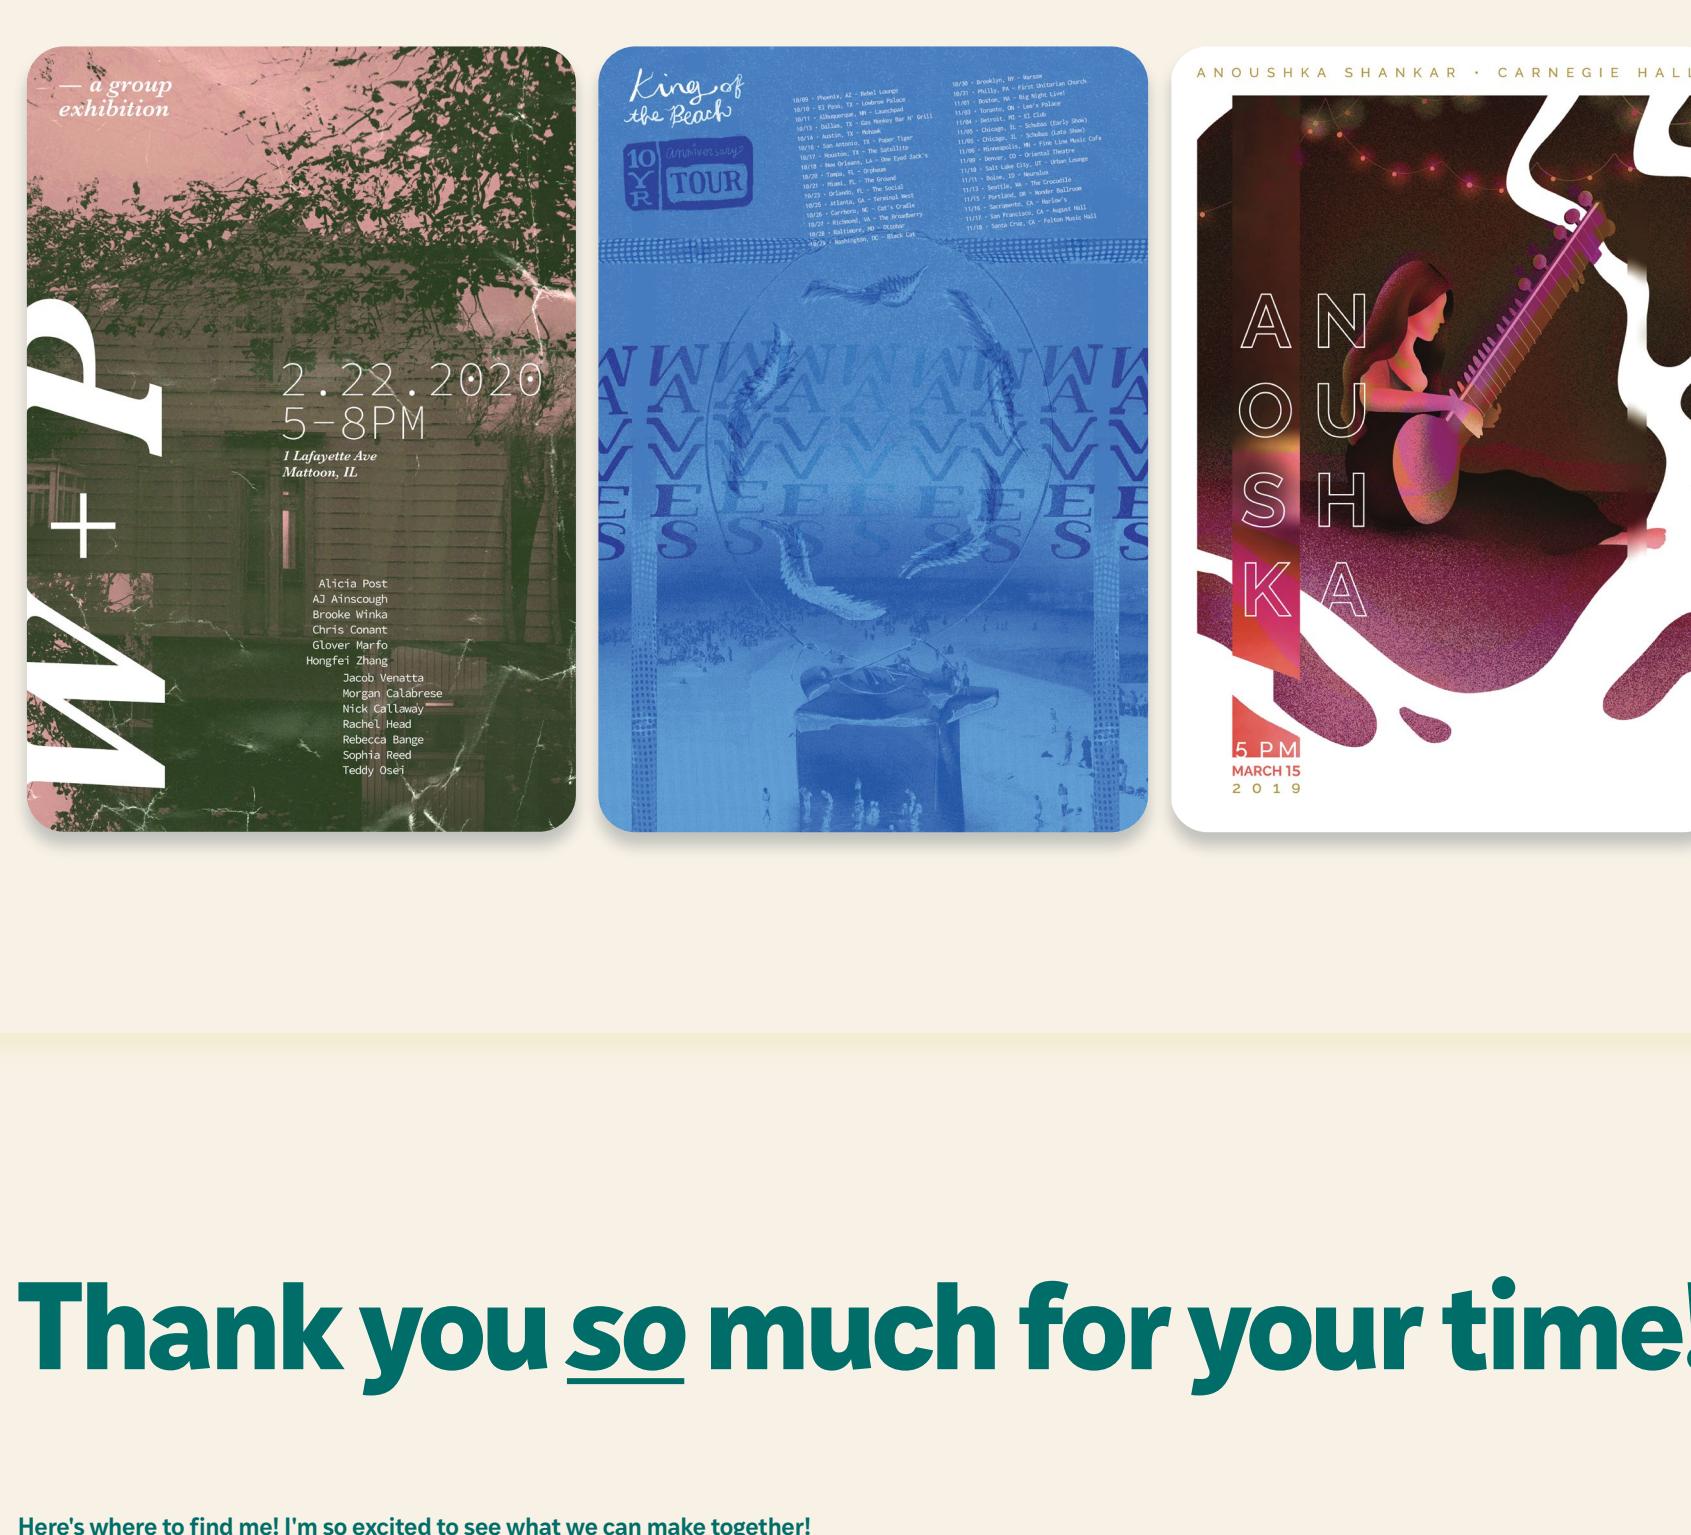

A playful, inviting illustrated branding package to accompany quite possibly the best idea in the world: to-go personalized mac-and-cheese.

A CONCEPT FOR A TYPOGRAPHIC TRAVEL BROCHURE—

Visit Portland Travel Guide Design

A non-traditional approach to a calendar that welcomes a new style of interaction while sporting illustrations that depict a unique anniversary each month.

LAST BUT NOT LEAST—

Some Poster Designs

A design for the 2020 EIU MA pop-up show and a couple of show poster concepts.

Here's where to find me! I'm so excited to see what we can make together!
